INTERNAL QUALITY ASSURANCE CELL**STUDENT DEVELOPMENT PROGRAM****INTELLECTUAL PROPERTY RIGHTS****REPORT -06.04.22**

The Internal Quality Assurance Cell of Islamiah Women's Arts & Science College organized a Personality Development Program with Mr. Lakshmi Narayanan A, Examiner of Patents and Designs, Officer (Group A Gazette), Intellectual Property Office, Govt. of India, as resource person on 06.04.22 at 10.30 a.m. in dual mode via MS Teams in the seminar hall.

The program began with a prayer by a student of III B.Sc. Biochemistry with a welcome address from the IQAC Coordinator and a presidential address from Dr. M. Renu, Principal, IWASC. The Principal started the session noting the several achievements made by Indians over the years and the acknowledgement they have received world over. She believes every student to be gifted in some way or the other. To harness the talent after identifying is hard enough. But what she feels more important is the recognition and acknowledgement that should follow the effort invested by them.

Mr. Lakshmi Narayanan gave an in-depth understanding of the necessity, regulatory strictures, advantages and the various kinds of acknowledgement of ownership by the government under the all-encompassing umbrella of Intellectual Property Rights. He gave examples of how patents, trademarks, copyrights, and trade secrets work from closer home. Instances of copyrights infringement in the academia are very many. He advised the students on how best they could protect and stimulate the development and distribution of new products and the provision of new services based on the creation and exploitation of inventions, trademarks, designs, creative content or other intangible assets.

Hundred and twenty four students attending the program benefitted greatly from the presentation and especially those involved in research activities agreed the program to be of great use in future.

**AWARENESS PROGRAM on
INTELLECTUAL PROPERTY RIGHTS
REPORT**

The Internal Quality Assurance Cell of Islamiah Women's Arts & Science College organized an Awareness program on INTELLECTUAL PROPERTY RIGHTS with Ms. P. Thenmozhi, Master of Laws, Advocate, Coimbatore, as resource person on 13.11.21 at 1.30 p.m. in dual mode via MS Teams in the seminar hall.

The program opened with a prayer by a student of III B.A. English with a welcome address from the IQAC Coordinator and a presidential address from Dr. M. Renu, Principal, IWASC. The Principal spoke about the students' ability to conceive and create innovative ideas and products that largely remains untapped or goes unrecognized. She insisted that a person who is aware of her legal rights shall be better able to protect herself and her work from plagiarism and so on.

Ms. P. Thenmozhi, who has nearly 13 years of experience in handling Civil law suits, Consumer cases, legal cases etc., spoke to the students about some of the most popular brand names that went under the hammer for issues in ownership and copyrights. She gave a presentation that was clear and concise, making a case for the several ways one could get sucked into the legalities concerning a product, print or any new discovery. She urged the students to register themselves and their work/products immediately after the preliminary stage is cleared to avoid getting into legal battles.

490 students of II & III UG and II PG of all the departments participated in the program via MS Teams and benefitted from the information dispensed by the resource person. The questions posed by the students and a staff were satisfactorily answered by the resource person.
