Respected Sir,

We are really grateful to you sir for permitting our students of Islamiah Women's Arts and Science college to visit your **Kasini Herbal Garden, Vaniyambadi** on the following dates **2-9-2022** and **3-9-2022**. Your lecture on Herbal fengshui treatments offered to Muscular dystrophy, Kasini treatment for kidney disorder was very useful and informative to the students. Our students gained knowledge on Sacred trees used for meditation by sages with healing potential planted in your herbal garden and how inhalation of oxygen from them helps to cure Muscular dystrophy. Your novel treatment of Garam Hamam -Hot room for Covid19 and herbal inhaler was informative to our students.

Our students inspired by books authored by you on Herbal medicines, Spices and Sacred trees of temple. Herbal dialysis a promising treatment for kidney in your hospital. After visiting your Kasini herbal garden our students were highly motivated to do research on medicinal plants.

Visit to Chandru's Organic and Natural Vermicompost farm

All III UG students (40) from Department of Chemistry along with Department of Zoology visited Vermiculture organic farm at Chandru's Farming, Nilavur, Yelagiri on 19 th November 2022. The visit included practical lecture on preparation of Vermicompost from initial stage like processing of cow dung to final packing and exporting of Vermicompost and also preparation of panchakavya and fish oil. The trainers over there explained the process in a very simple manner so that all our students got plenty of information regarding vermiculture. At last they offered Vermicompost, panchakavya, fish oil at offer prize for staff and students. After the visit our students were highly motivated to prepare Vermicompost at low cost at their home itself and also interested to construct vermiculture pit in our college campus.
